am 13 years old Im from
Lebanon,Beirut.I am
turning this year in 9th
grade .My hobbies are
basketball and
sometimes I like to paint.

About My Internship with Clevered..

- Any photographs from sessions etc.
- I really enjoy lessons with Clevered
- Rockstar for Attantiveness & Rockstar for sending HW in time

About App..

- App's Main Menu

- App's Introduction
I am creating my own ai calculator using speaking and listening blocks.

How do I use the App?

First you click on the green flag the calculator is going to ask you for the first number while using speaking block and listening block then the second number then it will ask you for the operation you can chose whatever operation you want and finally it will give you the answer by saying it 😊 you can repeat the process as many times as you want.

Option Name

(This will be repeated for each option of the App)

- The AI CALCULATOR
PRESENTS: Mr.calculator

- Steps to use the same
- You should use one operator at a time when the answer will be given you can click on the green flag and it will reload .
